GREY /NAVY BLUE POLO TYPE TOP AND NAVY-BLUE UNIFORM BOTTOM

LPDC will go by Baltimore County school system closing information will be on WJZ

There will be **NO** entry after 9am, Payment is due biweekly on Friday by noon and for new enrollments the first day of care. If you prefer to make a payment once a month payment will be due at the beginning of the month. There will be a \$35 late fee if payment isn't made by noon. Payment can be made at Procare.com. **I DO NOT EXCEPT PERSONAL CHECKS** There will be a late payment due the time of pick up when the child/children aren't picked up by time discussed. The late fee is 15\$ the first 15 min and 5\$ every 5 minutes after. I cannot offer any discounts for days your child is not in my care, such as when you are on vacation, or when your child is ill since I will be holding a space for your child, I need to charge full- time rather you use it or not. Thank you for considering my service for your child. My goals are to provide, safe, nurturing environment to all the children in my care. I realize that most parents today do not have the opportunity to stay home with their children, so I intend to offer the next best option.

My Philosophy

I will strive to provide a safe, comfortable, stimulating, fun, educational environment with a semi-structured day plan. Activities will include free playtime, large motor skill, small motor skill activities, story time and theatre activities, and other educational yet fun activities. I will also provide nutritious meals and snacks, along with encouraging good personal hygiene skills and manners. The television will rarely be on during regular hours of care, and then only to watch educational programs or activities which I have personally pre-screened to be appropriate for even the youngest viewers. Through a mixture of guided and directed creative play, children in my care will have the opportunity to learn basic sign language (ASL), color, shapes, textures, numbers, letters, animals, seasons, senses, nutrition, personal hygiene, manners, basic science, math concepts, and creative concepts such as "pretend" play, art, music drama, and dance. I do not believe in pushing any child to learn at an accelerated rate, I will not make a child feel pressured to achieve developmentally milestones. By providing the right kind of fun safe environment. I believe the children will learn at their own appropriate pace.

Inclusion Policy

Our program welcomes all children, including children with disabilities, special learning needs, developmental needs, developmental needs and/or special health care needs. The curriculum, activities, books, materials, and environment are used to reflect the diversity of our children in the daily routine and activities. Children are not discriminated against due to race, religion, family background or culture. Teachers provide both sexes with equal opportunities to participate in all activities. If your child has an IEP or IFSP I ask that you, please submit a copy

to ensure that we are also incorporating his/her goals and activities in our curriculum. I will work with them on the skills that included in the IEP or IFSP. This information is incorporated in our daily planning as we work with you and any other outside agency to make sure your child is receiving all services needed to achieve all goals.

Parent Conference

There will be a mandatory Parent conference once a year to discuss your child's progress behavior. Parents Conference will be held every Spring (March-May) between 1pm-3pm. Two weeks before Parents Conference start, I will place a notice on the bulletin board for parent to be reminded and to sign up for their preferred time and date of conference.

Safety Policy

All Staff are CPR and First Aid certified as well as Medication Training. There will be a practice fire drill once a month along with an Emergency Disaster Drill conducted twice a year. If at any time a consultation with the parent or guardian is needed and I feel that you or your child pose a safety risk to myself or any of the children in my care, I will give you as much notice as possible that care is terminated. This action will be reserved for extreme cases only. I will first attempt to resolve any issues with you before resorting to termination of care. Under these conditions a tuition of two weeks will be due.

Health Policy

In order to protect the health of all the children in my care, I will call you and request that you come pick up your child within the hour if he/she have any of the following:

Fever

Diarrhea

Vomiting

Conjunctivitis (pink eye)

Bleeding other than cuts and scrapes

Consistent complaints of the ear and stomach pain

excessive greenish nasal discharge, indicating possible infection.

Head lice

In the event your child is sent home due to one of the above conditions, he/she will not be

allowed to return until accompanied by signed note from your child's doctor. This is necessary to prevent the unnecessary infection of the other children in my care. Although it may seem inconvenient when your child is sent home. I will not send children home with a common cold. This sort of illness is going to occur among children, and unfortunately cannot be avoided. You should expect that anytime a new child is introduced to the group; colds are likely to occur. I will do my best to prevent the spread of such illness through good hygiene and housekeeping, but total avoidance of illness is impossible.

Discipline Policy

I do not believe in spanking, smacking, yelling or hitting of any kind. This type of discipline will not be practice. Instead, I use the following discipline methods to handle any dangerous or hurtful offense. For children ages 2 and over, I will alert the child to the offense by saying " No", explaining why the behavior is unacceptable letting the child know that he/she can hurt someone or hurt him/herself I will redirect and provide other choices. I will ask the child if he/she understands why they got redirected, ask if they understand why they should not use the behavior, then ask if they are ready to play nicely again. This method not only stops the offending behavior, but also teaches the child consequence, responsibility, and empathy in a positive manner. Dangerous and hurtful offenses including hitting, biting, kicking, pushing, hair pulling, throwing objects at someone, climbing on an inappropriate structure, willful destruction of property, tantrum throwing, and not depending upon the child's age development stage. To a point kids will be kids, but if the emotional and physical safety of all children in my care is protected. In the rare instance that I feel any child in my care has serious discipline problems, I will request a conference with the parent(s). If an understanding can is not reached, I reserve the right to terminate our contract with as much notice as possible in order to guarantee the comfort and safety of the other children in my care.

Child Abuse

Unfortunately, this is a topic that must be addressed today. It goes without saying that I will not knowingly allow any form of **sexual, physical, or emotional abuse** of any child in my care at any time. This includes the time that the child is in their own home. This may sound like an invasion of privacy, but I cannot ethically turn blind eye towards abuse.

Administration of Medication

I will administer medication with prescription only no over the counter medication will be administered. The medication must be in the original bottle and child proof container with instructions on how to give, the child's name, what the medication is for, the dose amount and frequency along with instructions for proper storage.

Holidays, Vacation and Sick Days

Little People Development Center will be closed ALL STATE HOLIDAYS.

I will take (2) two-week paid vacation I will take this vacation at any time during the year and will provide a written two week notice for the vacation days.

Meals and Snacks

I will provide meals and snack, you're also certainly welcome to provide any favorite foods your child like to get if it is healthy, but please provide enough to share with all the other children.

I will provide a continental breakfast for the children arriving before 8am if needed. This will typically consist of milk or 100% juice, whole-grain cereal, toast, or muffin. Highly sweeten snacks such as Kool-Aid, soft drinks, cake and candies will not be offered.

Lunch will be served at 11:30 - 12:00 that will consist of a balanced meal with one serving of all food groups.

NO NUTS OF ANY KIND WILL BE SERVED

Childs Name

Provider

Agreed Rate and Payment _____

This contract may be terminated at any time for any reason by either party with the proper 2 week notice in writing. If you choose to terminate care before the two weeks is up, you will need pay the two weeks in full.
